All Over America, the News of the Marvelous Dandruff, Cures of Parisian Sage Has Spread A few years ago there was introduced into America a cure for dandruff, falling hair and

ell scalp diseases. This hair renewer did not attract much attention for some months, until a progressive business man, hearing of several almost mag-ical cures, decided to tell the American people of its mighty power to destroy the deadly dandruff germ.

Today, without any sensational or untruthful advertising, Parisian Sage is used extensively in almost every town in America. What has produced this great demand? Simply this: Parisian Sage does just what we are telling the readers of this paper it will do. We claim, and we back our claim with our money-back guarantee, that Parisian Sage is the most invigorating and rejuvenating hair tonic. It cures dandruff, stops falling hair and itching scalp; it makes the bair grow strong and vigorous, yet soft and lustrous. It is the only hair dressing that reaches the root hulb of the hair and destroys the dan-

druff germ. simple statement of fact we want to say that Parisian Sage works wonders with women's hair. It will turn dull, harsh and faded hair into beautiful, lustrous hair in a few days, and is the most pleasant and satisfying hair dressing any woman ever used. Parisian Sage is sold for 50 cents a large bottle by O'Donnell's Drug Store and at drug and toilet goods counters everywhere, or it can be obtained direct from the makers,
